MARRIAGE CELEBRANT

# Hi there!

Thank you for taking an interest in having me as your celebrant.

I'm Amanda and it brings the biggest smile to my face when I meet couples and hear every juicy detail about how they met (even better when there are two completely different versions), what's happening in their life right now, and your dreams of the future.

Weddings are those rare occasions in your life when you really get to reflect on the momentous things you've done together, express your true feelings and be surrounded by the people you value most. That's where I come in. I want your day to be all that and more - starting with your ceremony. What I offer for your ceremony is like a Michelin Star restaurant: an exceptional experience, innovative, and creative. I want nothing but the best for you (yes I'm a perfectionist!).

*i love, love!*

# Wedding Options

My specialty!

I'll go all the way baby (insert wink face here)! It's the whole shebang, the full monty, the works - you'll be getting the best of the best!

A completely tailored ceremony from the pre music that plays before your guests arrive, the hype girl before you walk down the aisle, the heart felt storyteller, the joke smith, and the photo wrangler for the big group shot after you've both said 'I do'. I'll do absolutely everything for you.

This is the one you want. You've got a love story even if you think you don't. I'll make sure your guest feel the connection you have for each other and remind them that they are the lucky ones watching from the sideline. Not only that, they'll be filled to the brim with love, happiness, and a whole lot of giggles ready to dance the night away!

## *inclusions*

- Personalised ceremony based on what you like and show you ideas
- Use of my PA system
- Help you with your vows
- Complete all your legal paperwork and submit to the NSW Registry of Births Deaths & Marriages.

# Wedding Options

No fluff!

That's right, it's as simple as it can get. A short ceremony where all I do is the legal parts. If you're looking for a simple elopement or just prefer to have an intimate ceremony, this is the one for you.

## *inclusions*

- 10 minute ceremony designed with just the legal parts
- Complete all your legal paperwork and submit to the NSW Registry of Births Deaths & Marriages.

# Pricing

I have a variety of options and prices to slip right into your budget. The service I offer is boutique and my price reflects the very high standard of my ceremonies and the effort I go to leading up to, during and after your big day.

# What to Expect

Here is a rough timeline of what to expect with me as your celebrant. Our lead time to plan your ceremony, write your vows and of course get to know each other, will depending on how early you book me but here is an ideal timeline.

At a minimum, your Notice of Intended Marriage (NOIM) needs to be lodged with me one calendar month prior to your wedding. After the ceremony, I'll submit your documents and obtain your marriage certificate from the NSW Registry of Births, Deaths and Marriages.
